

Lexus Shelton

March 12, 2005 - September 23, 2019

"WOW" is the BEST way to describe our Lexus!! She had an impressive zest for life that we absolutely adored! She was the most wonderful baby girl that we had the honor to be with. As a Pet Therapy dog, she loved to help others. She knew how to comfort others in such a loving way. She was a true angel that had a powerful light that made you feel special to be with. In the public, people would come up to her to pet, they would be smiling and glowing when they left her. She was incredibly gifted in loving others.

Lexus made us laugh and enjoy life to the fullest. She was an impactful angel that demanded righteousness and fun filled love for everyone. Everyone was welcome in her home but, leaving was frowned upon.

She was the teacher in our home. She taught us so many lessons about life, love, forgiveness, and the value in being a family pack. Lexus was so intelligent and beautiful. We told her everyday how much she was loved, adored, appreciated, and that her beauty was equally impressive inside as her outside.

She leaves behind her heart broken family...dad, mom, and brother Vincent. She joined God on 9/23/19. After getting a drink of water at the patio door that morning, she looked up to the sky for the longest time. We know now, God was calling her to heaven to join her beloved brother Chevy. Lexus was a 14yr. old Maltese that stole the hearts of so many on this earth.

THANK YOU Lexus, for being the incredibly sweet baby girl you are and will continue to be. You have definitely earned your angelical wings sweetheart. Go fly and enjoy yourself baby girl. See your birth parents and siblings. Please know you and Chevy can come back to us anytime. Our love will always be here for you. You will always be breathtakingly special in our hearts.

Daddy's girl and momma's world. We will always deeply love and miss you Lexus! You are our special "Lu Lu" girl. Your spirit will live on through us and you will be honored.

WE LOVE & MISS YOU SO MUCH!

Lexus is survived by her parents, Jim & Michele Shelton. A brother, Vincent. And a brother reunited in heaven with, Chevy.
