

## Marley "Bubba" Ramey

January 5, 2006 - May 22, 2017

Marley "Bubba" Ramey is survived by Bella, his human sister Mattelyn and his owners Matt and Jennifer Ramey. Marley was born around 2006. Two years later he was found in the winter huddled with a Black Labrador for warmth. The Ramey family adopted him and brought him home. Judy, Raymond and Chelsie were his new owners and he fell into routine until Raymond fell ill with cancer which left everyone including the little chihuahua devastated.

Judy's son Matt and daughter-in-law Jennifer fell in love with Marley, Marley fell in love with them and his new companion Bella. He lived and traveled everywhere his parents moved. He had a huge chihuahua personality but still learned to deal with a human baby in the house. He grew a patience with her that was unexpected for a small dog that had never been around children.

Marley has been with us for most of our relationship so going on without him seems almost impossible, he is one constant in our lives that is impossible to replace.

The whole family misses you, it's hard to come home and not hear your barks at the door. You will always be with us Bubbas.

Marley was cremated on May 24th 2017

“ Marley boy was truly our entire family's pet. He was so beloved by all of us. When our Dad passed, he grieved the way a human would. It broke my heart to watch him howl and cry near Dad's hospital bed.

He was more human than dog. He had a huge heart and love for other dogs. He always felt the need to care for and protect other dogs, too. We all loved him dearly and he will be missed by all. Rest In Peace sweet Marley boy.
