

## Mocha Mayhew

January 15, 2004 - July 12, 2018

In the early morning hours of July 12, 2018, Mocha Mayhew went running on restored legs to the Rainbow Bridge. She was met by her animal family who await reunion there, which included canines Thor, Doc, Cleopatra, Bess, Sam, Waya, and Gabriel as well as several feline family members.

Mocha was born in 2004 and several years later lost her home. She went into rescue and then into the foster home of Bob and Kim Mayhew. Everyone was so happy when she was adopted, but sadly that adoption did not work out. She then returned to the Mayhews, and they adopted her and promised her forever love and a forever home at Wolf Song Ridge. Mocha was a gentle, sweet family member who took on the role of alpha with grace and consistency, even when challenged for that job right up to her last day. She was a classic German Shepherd Dog, loyal and loving to her people who now miss her so much.

Left behind mourning her loss are her adoptive parents Bob and Kim Mayhew, her canine brothers Levi, Copper, Cody, Atticus, and Sir Winston Pugsley; her canine sisters Schotzie, Athena and Phoenix; and 12 feline brothers and sisters. Her whole family looks forward to a reunion at the Rainbow Bridge and find comfort in knowing that Mocha awaits there with others, healed and running free.

Mocha's family is grateful for the caring final arrangements provided by Adored Pets Cremations.

Mocha Mayhew was cremated on July 12th, 2018.

“ Kim and Bob make such wonderful homes for all their rescued ones. They are all lucky to live their lives with them. Mocha is now joining her crew in the next dimension. Heartfelt wishes for peace and comfort for Kim and Bob and the fur family.
