

Ruby Mae Blankenship

June 21, 2008 - October 4, 2021

Ruby Mae Blankenship was born June 21, 2008 in Sevierville, Tn. Ruby Mae was a resident of Jonesborough, TN. Ruby Mae's family who remain to cherish her memory: Dad & Mom: Michael & Lori Blankenship, Fur Brothers: Little Man Blankenship (her life long puppy brother), Toby Blankenship (kitty brother) and Buddy Blankenship (her goat brother). Proceeding her in death in January 2021, her Grammy Jan Reagan.

Ruby Mae first caught her Daddy's eye in the flea market in Sevierville, TN and all it took was for Dad to hold her and an immediate lifelong love bond was created. Ruby so very much loved her Daddy & Mommy and would go anywhere that they went, never leaving their side.

Ruby Mae was dedicated to God in June 2008 and then became a 2009 Graduate of Camp Bow Wow in Sarasota, Florida.

Ruby along with her Daddy & Mommy traveled the midwest and the eastern seaboard and down to Florida doing home shows and spreading the love of JESUS. It did not matter if she was in Nebraska, Chicago, New York City or the Beaches of Florida, Ruby knew how to make friends. Ruby loved to give her attention to kids and especially loved babies and would protect a baby and often check to see that a baby was ok while they slept.

More than anything, Ruby loved JESUS. Her Mommy & Daddy would often anoint her and pray over her and tell her how much JESUS loved her and she always responded by giving her loving licks to their faces.

Ruby Mae will be sorely missed by all of her family and friends who knew her. We all look forward to the day that we can spend eternity with her in Heaven with Jesus.

“ Oh my Ruby Mae! I love you so very much! You are our baby and will always be. Jesus used you to bring so much happiness, joy, love and peace to our lives. Your Mommy, Little Man, Toby, Buddy and your Daddy look forward to being in heaven with you some day soon. Enjoy running through the beautiful green fields of grace and enjoy everything the Lord has given you in heaven. I remember how me and your Mommy claimed the Scripture of Deuteronomy 28:4 “Blessed shall be the fruit of thy body, and the fruit of thy ground, and the fruit of thy cattle, the increase of thy kine, and the flocks of thy sheep.”. We knew from the first day we met, your were blessed of God and we were Blessed to be family to each other. I remember when we first anointed you with oil and prayed over you and said in JESUS's name and you would give that beautiful little smile to us and with such eagerness lick our faces. Every time we prayed, sang or read the WORD, you always were right beside us. You would worship in your own way and would give us a "high-five" whenever we raised our hands. I could go on and on. Yes, you were certainly a blessing in our lives and now you are enjoying the biggest Blessing of all, seeing our JESUS face to face. My heart grieves for you so very deeply. I know that JESUS has given you your ultimate healing and that you no longer suffer from cancer or any of the negatives of this world, but you are running and leaping through God's Kingdom and enjoying that cool fresh water called The River Of Life that flows from the throne of God. You and Grammy enjoy each other with JESUS until you and the rest of your family get there to be with you. I look forward to giving you a "High Five" real soon! I love you and miss so much Ruby Mae, You Daddy.
